## ADA Compliant Policy

At August Martin High School, we seek to understand and respect the unique needs of our students and community. We are committed to ensuring the accessibility of our web content to people with disabilities. All content on our website will conform to the Web Content Accessibility Guidelines (WCAG) 2.0, Level AA.

This policy applies to all new, updated, and existing web content on [www.augustmartin.org](http://www.augustmartin.org). Accessibility checks and training will be incorporated into the publishing workflow for all new website content. In addition, we will ensure third-party content providers are aware of our web accessibility policy and will favor providers based on their accessibility conformance claims.

Each page of the website will include a link to a form providing a method for users to submit feedback on the site; this information will be compiled and considered during the review process. Any accessibility issues should be reported to August Martin High School's Web Management Team by using the posted form.

All areas of the August Martin High School website will be reviewed annually. Reviews are the responsibility August Martin High School's Web Management Team.

This policy will be reviewed annually to ensure current compliance and was last reviewed January 2017 by August Martin High School's Web Management Team.
